This diagram shows a cross-sectional view of a multilayered structure 26. The structure consists of a central layer 20, which is flanked by layers 21 and 22. Above layer 20 is a stack of layers 23c, 24, 25, 27, 28, and 29. Below layer 20 is a layer 30, which is further divided into sub-layers 30f and 30. A dashed line indicates a boundary between the central layer 20 and the bottom layer 30. The structure is shown with a wavy top and bottom surface. A coordinate system is provided at the bottom right, with the Z-axis pointing upwards, the X-axis pointing to the right, and the Y-axis pointing out of the page (indicated by a circle with a cross).
